TIME: 3 HOURS
MARKS: 200

INSTRUCTIONS AND INFORMATION

1. Read ALL the questions carefully.
2. This question paper consists of 10 questions. Answer ALL the questions. Use appropriate application programs and place your printouts in your folder.
3. The time indicated at the beginning of each section is a guideline to help you finish the question paper in time.
4. The time allocated for this question paper includes printing time.
5. It is your responsibility to save your work at regular intervals to prevent loss of keyed-in data during a power failure. NO additional time is allowed to complete lost work.
6. In the event of a computer or printer defect, the invigilator will make the necessary arrangements for you to continue with the examination and the actual time lost will be allowed additionally.
7. Spell check may be used.
8. Examination and centre numbers must be written correctly on the examination cover pages, and the software version must be indicated at the top of the cover page (e.g. MS Office 2010).
9. Ensure that every printout displays the QUESTION NUMBER, your EXAMINATION NUMBER and a WATERMARK displaying your computer station number.
10. EXAMINATION NUMBERS in writing are NOT acceptable.
11. Marks will NOT be awarded for any printouts without an EXAMINATION NUMBER and a consistent WATERMARK.
12. Printouts to be marked must be arranged in the same order as the questions in the question paper. ONE printout per question may be handed in.
13. Each answer must be printed on a separate sheet of paper. Use ONE side of the paper only.
