Copyright reserved

6.6 Yes. It plays on the emotions of readers. The picture of a small child in grown up boots is usual since children love to wear grown up clothes/shoes. ✓ However the fact that this child cannot fit into a grown up heart monitor and needs help will draw on the heart strings of people and encourage them to donate. ✓✓

OR

No. Consider valid alternatives that speak to the fact that the child looks normal and healthy. ✓Therefore it does not appeal to people. A sick child would have had a greater impact. ✓✓

(Do not award marks for 'Yes' and 'No'- award marks for a discussion.) (3)
