QUESTION 4

BACK TO SCHOOL PROMOTIONS

At the beginning of the year, companies run 'back to school' promotions.

This is the best time for stationers to increase their sales. Often, there are coordinated campaigns in the media, shopping centres and even at school shops. They all offer special prices for school-related products.
Other manufacturers cash in with their sales promotions for school uniforms, school bags, stationery, lunch boxes and also other products like breakfast cereals and even children's bank accounts, educational toys and computers.

Creative retailers all jump on the bandwagon with their back-to-school promotions.
