QUESTION 2

A few years ago, Joe opened an outlet next to a college where he was selling hot dogs to students. The business grew very fast and the sales were satisfactory. This year, Oscar realised that his customers had decreased and that sales had declined. As a result, he decided to introduce burgers to his customers. Oscar has never conducted market research for his business, so he wants your help to conduct the market research.

2.1 Name FOUR steps of the market research process Joe should follow when conducting his research. (4)

2.2 Name FIVE roles of market research in a business. (5 × 2) (10)

2.3 Identify TWO outdoor media that Joe can use to market his business. (2 × 2) (4)

2.4 Joe decided to introduce a new product (burgers) in his shop.

Explain FIVE steps that adopters go through before they decide to adopt the product.

(5 × 2) (10)

2.5 Identify Joe's target market. (2)

QUESTION 3

In 1895, the Kellogg brothers started preparing peanut butter by steaming nuts. It became the most used peanut butter over the years, and their sales keep on increasing. In 2013, it was marketed as a healthy protein for patients without teeth. Recently, it is offered in unbreakable jars, which are even safer for children to handle.

[Source: *nationalpeanutboard.org*]

3.1 Identify any THREE competitive products of peanut butter. (3 × 2) (6)

3.2 The sales of peanut butter are always increasing. We can conclude that the product is in its maturity stage.

Name any FIVE methods they could be using to extend the maturity stage. (5 × 2) (10)

3.3 Assume that the Kellogg brothers are considering adding a new product to complement peanut butter.

Explain to them the FIVE different factors that could influence the decision of conducting market research for their new product. (5 × 2) (10)

3.4 Identify TWO factors from the extract that influence people to continue purchasing the product. (2 × 2) (4)

[30]

QUESTION 4

In an organisation, the code of conduct helps managers to make decisions that are ethical. Mr Beethoven Broadway, being the new manager of the marketing department, has yet to learn and understand how to conduct marketing in a way that is not harmful to the customers or the organisation.

4.1 Explain to Mr Broadway what a code of conduct is. (2)

4.2 Name TWO ways that Mr Broadway can implement a code of conduct in the marketing department. (2 × 2) (4)

4.3 Explain FIVE principles of a code of conduct to Mr Broadway. (5 × 2) (10)

4.4 Define the term *ethics*. (2)

4.5 Explain FOUR guidelines of ethical behaviour in market research. (4 × 2) (8)

4.6 Differentiate between a *marketing plan* and a *marketing activity plan*. (2 × 2) (4)

QUESTION 5

Passion Industry was started by sisters Faith and Providence a few years ago. They specialise in selling men's suits. Their business is located next to the provincial government offices and is aimed at members of parliament. A rumour is doing the rounds that a traditional and formal men's clothing shop will be opening not far away from theirs. As a result, they decided to extend their business by introducing a new line of ladies' suits. They have an advantage in that they produce the clothes locally in the shop with no extra cost, such as delivery. The new line is doing so well that they are facing a challenge to keep up with orders. Consequently, they are unable to meet deadlines due to a shortage of employees.

5.1	Do a SWOT analysis for Passion Industry.	(4 × 2)	(8)
5.2	Explain to Passion Industry the importance of a marketing policy by mentioning any FOUR of its aspects.	(4 × 2)	(8)
5.3	Name any TWO competitors of Passion Industry.	(2 × 2)	(4)
5.4	Indicate any TWO factors that Passion Industry could use to improve sales.	(2 × 2)	(4)
5.5	Give TWO closed questions that can be included in a questionnaire to discover the style of clothing the women who work in parliament would prefer.	(2 × 2)	(4)
5.6	Indicate to Passion Industry the kind of pricing they could use for their new product before a competitor enters the market.		(2)
