Case study: Mama Nandi's Kitchen
Mama Nandi runs a popular catering business in Pietermaritzburg. She asks your small multimedia company to create a website with a menu, photo gallery and online order form, as well as a short video and graphics for Facebook and Instagram. She wants more orders for weddings and funerals and has a budget of about R20 000. She does not know much about technology and will need help to update the menu after the website is launched.

QUESTION 2: CLIENT SERVICE AND QUOTATIONS

2.1 List FIVE questions you would ask Mama Nandi in the first client meeting. (5)

2.2 Prepare a quotation with the following items: website design 24 hours at R350 per hour; photography R2 500; promotional video R4 000; domain and hosting for one year R1 200. Calculate the subtotal, VAT at 15% and the total. (6)

2.3 Give FOUR items that should appear on a professional quotation, apart from the prices. (4)

[15]

QUESTION 3: WEB PUBLISHING AND HOSTING

3.1 Explain the steps to get Mama Nandi's website live on the Internet, from choosing a domain name to testing the site. (6)

3.2 Name FOUR factors to consider when choosing a hosting package. (4)

3.3 Recommend whether to build the site with a CMS or with hand-coded HTML/CSS. Give TWO reasons related to the case study. (3)

3.4 Give TWO reasons why the website must be responsive. (2)

[15]

QUESTION 4: DIGITAL MARKETING AND SEO

4.1 Give FIVE ways to improve the search engine ranking of the website. (5)

4.2 Plan a one-week social media campaign for weddings: name the platforms, the type of content for TWO posts and the best times to post. (6)

4.3 Explain how Mama Nandi can use website analytics to measure whether the website is successful. Name TWO measures. (4)

4.4 A customer posts a negative review on Mama Nandi's Facebook page because a funeral order was delivered late. Explain FIVE steps for handling the review professionally. (5)

[20]

QUESTION 5: MAINTENANCE, CONTRACTS AND PROFESSIONAL PRACTICE

5.1 Name FOUR maintenance tasks for the website after it has been launched. (4)

5.2 Explain how you would train Mama Nandi to update the menu herself. (3)

5.3 List FIVE items that must be included in the contract between your company and Mama Nandi. (5)

5.4 Mama Nandi asks you to add an online payment system after the contract has been signed. Explain how you will handle this professionally. (3)

5.5 The online order form collects customers' names, phone numbers and addresses. Name TWO responsibilities under POPIA. (2)

5.6 Give THREE ways of providing excellent customer service to a client after delivery. (3)
