QUESTION 2

Read the scenario below and answer the questions.

Thando was recently promoted to the position of kitchen manager. The company arranged training for him which included personal and food hygiene practices.

As part of his job description, he has to transfer this knowledge to his subordinates. Thando must ensure that staff are working according to high standards of hygiene and are maintaining good personal hygiene at all times. This will prevent cross contamination or outbreaks of food borne-diseases.

2.1 Define each of the following terms:

2.1.1 Personal hygiene

2.1.2 Food hygiene

(2 × 2) (4)

2.2 Name the item of protective clothing that should be worn by a chef to protect his/her clothing from spillage. (1)

2.3 State FIVE factors that affect microbial growth. (5)

2.4 Help Thando to compile a step-by-step procedure for washing hands thoroughly. (6)

2.5 What advice can Thando give his subordinates regarding personal grooming when working in a kitchen? (5)

2.6 State FIVE tips that Thando can give his subordinates on how to minimise food poisoning in the working environment. (5)

2.7 Describe FOUR ways to control insects. (4)

[30]

QUESTION 3

3.1 Discuss how the following waste items should be disposed of:

3.1.1 Food waste (5)

3.1.2 Chemical waste (4)

3.1.3 Glass (4)

3.2 Describe THREE general specifications for a chef`s jacket. (3)

Copyright reserved

3.3 The law requires that food that is served to the public should not pose any risk. It is important for food handlers to be aware of how they contribute to the safety of food.

3.3.1 Give THREE consequences if food handlers do not take this responsibility seriously. (3)

3.3.2 Suggest how food safety can be maintained in the food production area. (5)

3.4 Cross-contamination occurs when bacteria from one food product spread to another.

State SIX ways in which cross-contamination can be minimised or avoided. (6)
[30]

QUESTION 4

4.1 Name FIVE items that a room attendant should place in his/her housekeeping trolley to service a guest bedroom effectively. (5)
