QUESTION 5

5.1 Ronnie was appointed as an intern at Sweet Dreams Hotel during the December holidays. On 31 December 2016 at 12:00, he went to collect some boxes of stationery for the guest rooms. Ronnie did not follow the correct procedure when lifting heavy items. He strained his back, fell on the floor and was unable to stand up straight. Mr Jubert, his supervisor, called the ambulance to attend to Ronnie. Mr Jubert had to complete a report on the incident.

Assist Mr Jubert by completing the INCIDENT REPORT FORM on ADDENDUM A (attached). Write your EXAMINATION NUMBER in the space provided and hand it in with the ANSWER BOOK. (10)

A fire broke out next to the heated pool in Aquelle Hotel's pool and gymnasium area. While trying to put out the fire 1 of 3 fire extinguishers failed to work. There was extensive damage to equipment and a few people were trapped in the cloak room for a period of time.

5.2 Describe FIVE sources that could have caused the fire in the hotel's pool area. (5)

5.3 Would inspecting the fire extinguishers annually have prevented the failing of the one extinguisher? Answer only YES or NO. (1)

5.4 Discuss the reason for the answer you provided in QUESTION 5.3. (1)

5.5 Design a step-by-step procedure that people should follow when they are trapped in a room during a fire. (7)

5.6 Describe FIVE duties of a health and safety representative. (5)

5.7 Who could assist the health and safety representative of the hotel in drawing up the procedure mentioned in QUESTION 5.5? (4)

5.8 As a result of the fire, the front door and a part of the front wall of the pool and gymnasium area were damaged. The equipment used in the area is therefore no longer secure.

Suggest FIVE security measures that could be implemented to solve the problem. (5)

5.9 What procedure should be followed if a staff member finds an unauthorised person in the pool area? (2)

5.10 Compare the ways that information regarding safety and security can be communicated to management versus general workers. TABULATE the answer. (2 × 3) (6)

5.11 Motivate why the way of communicating the information to management and general workers should be different. (4)

[50]

QUESTION 6

Starting a business can be nerve-wrecking and most people opt for a partnership as their company model.

6.1 Define employment (1)

6.2 Recommend THREE benefits of being employed by a commercial company. (3)

6.3 Tilana is self-employed. She is solely responsible for the success of her bakery.

Suggest why she should maintain an exceptional work ethic. (4)

6.4 Describe FOUR characteristics of a partnership. (4)

6.5 Describe ways in which Tilana can gain more potential business for her bakery. (4)

6.6 Explain fixed costs and variable costs, and provide TWO practical examples of each. (3 × 2) (6)

6.7 It has been a financially difficult month for Tilana and her motivation to carry on with the business is at a low.

Motivate Tilana to carry on with her business by describing FOUR of the benefits of being self-employed. (4)

6.8 Tilana sees an advertisement for an auction where second-hand equipment from a bakery will be sold.

Recommend THREE points she needs to keep in mind before deciding to buy equipment at the auction. (3)

6.9 Tilana wants to expand her business and has decided to approach the banks for funding. She has to have a business plan in place to apply for funding.

6.9.1 List the first SIX headings required for a business plan in the ANSWER BOOK. (6)

6.9.2 Assist Tilana with her financial plan by recommending financial documents that should be included. (5)

[40]

QUESTION 7

Olwethu is an 18-year-old hospitality student, who has been awarded an internship at Stix Hotel. During Olwethu's internship, she realises that she lacks general guest relations skills, telephone skills and time management skills required in the reception area. She decides to ask for advice to improve those skills, as her goal is to become the general manager in the future.

7.1 Recommend FOUR ways in which Olwethu skills can be evaluated. (4)

7.2 Provide FOUR reasons why a personal improvement plan would be effective for Olwethu's skills development. (4)

7.3 Discuss the importance of regular performance review sessions. (3)

7.4 List THREE steps that Olwethu should take to manage her time efficiently while doing her internship. (3)

7.5 The following is an example of Olwethu's development plan that her current manager drew up for her:

Skills/ performance gap	Outcome expected	Training/ development activities	Mode of delivery	Time frame	Work opportunity created to practise skills	Support person
Guest relation skills	Be more presentable in front of clients	Complete a design course	Outside study	1 week	Assist more in porter area	Porter
Administration skills	Assist clients telephonically	Complete a administration course	Online study	2 years	Work in book keeping	Front desk manager
Time management skills	Work on time management in reception	Be more productive in the reception area	University classes	5 days	Be more productive	Banqueting manager

Evaluate Olwethu's development plan and identify what mistakes were made and correct them. Redraw the plan with the corrected information. (9)

7.6 Describe FOUR personal circumstances that could possibly interrupt Olwethu's development plan? (4)

7.7 How should she deal with the interruptions mentioned in QUESTION 7.6? (4)

7.8 Describe FOUR techniques Olwethu should use to avoid wasting time when dealing with telephone calls? (4)
