ENGLISH FIRST ADDITIONAL LANGUAGE

PAPER 1 · LANGUAGE IN CONTEXT · MARKING GUIDELINE

MARKS: 70

Marking guideline for the Academic Central Grade 8 English First Additional Language paper 1 · language in context.

Written by Academic Central for practice, following the CAPS curriculum for Grade 8. It is not a Department of Basic Education marking guideline.

How to mark: each ✓ is one mark. Accept answers in the learner's own words when the meaning is correct. For open-ended questions, credit any well-reasoned answer. Do not penalise spelling in Section A unless the meaning is lost.

SECTION A: COMPREHENSION

QUESTION 1

1.1	Limpopo ✓	(1)
1.2	Any TWO: the taps run dry for hours ✓; broken pipes flood the road ✓; families wait with empty buckets; nobody knew whom to report problems to	(2)
1.3	She had to walk two kilometres to another tap and carry water before school ✓	(1)
1.4	The tap was broken for four days in one week ✓; she realised that if she could count the problem she could show it to the people who could fix it ✓.	(2)
1.5	Any THREE: report a broken tap ✓; report a leaking pipe ✓; add a photo ✓; share their location; see the reports on a map	(3)
1.6	Many older residents did not have smartphones ✓; others doubted that anything would change / thought the municipality would ignore a child's app ✓.	(2)
1.7	doubted ✓	(1)
1.8	She is determined / persistent / a problem-solver / a leader ✓ – instead of giving up, she trained learners to enter reports for their neighbours ✓.	(2)
1.9	It showed clearly where the problem was ✓: almost half of the breakdowns were along one old pipeline that had not been replaced for thirty years ✓.	(2)
1.10	B ✓	(1)
1.11	The app itself cannot repair anything; it is a tool ✓. Real people (engineers and workers) do the repairs; the app only gives them the information about where the problems are ✓.	(2)
1.12	Open-ended. Yes/No ✓ with a suitable reason, e.g. it encourages young people to solve real problems step by step / not every problem can be solved with technology ✓	(2)
1.13	Broken taps ✓	(1)
1.14	40 ✓	(1)
1.15	$260 + 210 + 95 + 40 = 605$ ✓; yes, it supports the statement that more than 600 reports were recorded ✓	(2)
