1.4 Read the scenario below and answer the questions.

Tips for taking a connecting flight

Firstly, when booking a connecting flight, choose a flight where you can stop without changing planes because a direct flight is always the best route. Secondly, passengers must not book flights on separate airlines to avoid delays. Lastly, passengers must make sure that they have at least an hour to connect on domestic flights and two hours for international flights. In case you miss your connecting flight, a passenger must contact the airline and make an arrangement. Passengers must try to relax at all time.

Vacation Destinations Affected By Natural Disasters

Hawaii, always a popular vacation spot, was rocked by the aftermath of earthquakes in Japan, enduring a tsunami that resulted in an extended closure of popular Kona Village Resort for repairs, and the temporary closure of the Four Seasons Resort (both on the Big Island). Though some tourist attractions are sure to be affected, most of Hawaii's Big Island, as well as the smaller islands of the state, are operational and ready to provide tourists with the same beach-centered vacation.

Reviews about the 'Oktoberfest festival in Germany'

After the Oktoberfest last year those attended had only one good thing to say about the event and that was the fact that Germans were very nice and accommodating. However, tents were sold out after the first two days and there was nowhere to sit. People had to wait in a line for a very long time to get into beer tents and others decided to go somewhere else. The beverages were expensive and there were no chairs to sit on, so people had to stand the entire time. One traveller said that they will avoid Munich from now on during the festival. Some of the attendees complained about how cold the food was and even the music was bad. There was also not enough parking.

Msunduzi museum

The Msunduzi museum actively preserves, promotes and presents our cultural heritage to benefit nation building and social cohesion. Since the 1990s, the Msunduzi museum in Pietermaritzburg, an agency of the National Department of Arts and Culture has been transformed from a historically single-themed museum to one that depicts the heritage of different cultural groups of KwaZulu-Natal. The museum was created in 1912 as a tribute to the Voortrekkers. Voortrekker history is the main focus in the Voortrekker Complex, for example the historic Church of the Vow, the Andries Pretorius House and the E.G. Jansen Extension.

The main building is home to a variety of cultural-history exhibitions which are also constantly being upgraded and expanded, like.' A Tapestry of Cultures' on the mezzanine floor. Those interested in the history of the Struggle for Democracy, may find the Birth of Democracy display on the ground floor informative. The museum also boasts a replica Hindu Shiva temple and a beautiful herb garden.
