NATIONAL ASSESSMENT EXEMPLAR

2023

GRADE 9

Subject: Life Orientation

Marks: 70

Duration: 120 Minutes
excluding 15 minutes reading time

The test consists of 21 pages excluding the cover page.

Instructions to the learner

1. You will receive 15 minutes reading time before you begin answering this test.
2. Read all the instructions and questions carefully.
3. Answer all the questions.
4. Use the answer sheet to write all your answers.
5. Write neatly and legibly.

The test starts on the next page.

Do not start writing until you are told to do so.

SECTION A

Question 1

Choose the correct option from the responses provided. Write down only the correct letter.

1.1 What are the four compulsory subjects in Grades 10 - 12?

- A Two official languages: a Home Language and a First Additional Language, Mathematics or Physical Science and Life Orientation
- B Two official languages: a Home Language and a First Additional Language, Mathematics or Mathematical Literacy and Life Sciences
- C Two official languages: a Home Language and a First Additional Language, Mathematics or Mathematical Literacy and Life Orientation
- D Two official languages: a Home Language and a First Additional Language, Mental Mathematics or Mathematical Literacy and Life Orientation

(1)

1.2 In Grades 10 to 12, subjects are grouped into eight learning areas.

Elective subjects are subjects grouped into specific fields of study to prepare learners for future career paths.

Which group of subjects qualifies as electives?

- A Languages, Mathematics and Computer Application Technology
- B Physical Science, Life Science and Computer Application Technology
- C Information Technology, Consumer Studies and Mathematical Literacy
- D Computer Application Technology, Business Studies and Mathematics

(1)

- 1.3 Choosing the right subjects to take in Grade 10 can be a stressful experience. Which personal qualities should be kept in mind when exploring subject choices?
- A potential, strengths, weaknesses and abilities
 - B strengths, weaknesses, hobbies and attitude
 - C abilities, attitude, self-awareness and interests
 - D strengths, weaknesses, abilities and interests (1)
- 1.4 Mpho is interested in becoming a veterinarian. She helps her neighbours by looking after their pets when they are away for work and on holiday. Which compulsory subjects would she need in order to apply to study Veterinary Science?
- A Home Language, Mathematics, Life Science and Physical Science
 - B Additional Language, Mathematics, Life Science and Physical Science
 - C Home Language, Mathematics, Life Science and Technical Science
 - D Additional Language, Mathematics, Life Orientation and Physical Science (1)
- 1.5 Looking at your Grade 9 June examination results, your Economic and Management Science performance was 90%. Which elective subject package will best suit you in Grade 10?
- A Business Studies, Economics and Accounting
 - B Business Studies, Tourism and Accounting
 - C Consumer Studies, Economics and Accounting
 - D Consumer Studies, Economics and Tourism (1)

1.6 Most teenagers hear the words, 'learn and think' only at school.
Select the most appropriate definition of lifelong learning.

- A learning until you complete matric
- B learning through practical training
- C learning until you complete a diploma

- A when the body part is moved downwards
- B when the body part is moved upwards
- C when the body part is moved to the left
- D when the body part is moved to the right

(1)

[42]

SECTION B

Question 2

Read the following scenario and answer the question that follows.

Siphokazi needs help

Siphokazi is a Grade 9 learner at Saint Patrick's High School. She is very stressed because she is not sure what she wants to do in future. Her best friend, Ann, is good at Mathematics and Physical Sciences and wants to be a medical doctor.

Siphokazi is concerned because it seems as though all her peers know exactly what they want to do.

[Adapted from [www.google](http://www.google.com) theguardian.com, accessed on 2 April 2023]

What should Siphokazi do to identify her strengths, weaknesses, interests and abilities? Name **TWO** ways and explain each. (4)

Question 3

Name and explain **THREE** types of funding or funding providers that can help one to study further. (6)

Question 4

A house that burnt to ashes

[Adapted from Google Images, accessed on 3 April 2023]

Give **THREE** suggestions on how you can volunteer to assist the family affected by fire. Motivate your suggestions. (6)

Question 5

After an unfair decision was made at a soccer match between two local schools, a big fight broke out and a boy was fatally stabbed.

Discuss **ONE** principle of sport ethics that could have been applied to prevent such behaviour. Motivate your answer. (2)

Question 6

Discuss in detail **TWO** causes of depression. (4)

Question 7

Study the extract and answer the question that follows.

Substance abuse remains the challenge

A teenager who abuses drugs or alcohol is unlikely to tell anyone about it. In fact, he/she is likely to be as secretive as possible. One of the first responses is to recognise that the person is abusing. If you notice changes in your friend or family member, these changes could be signs of substance abuse. You could be a key person to help your friend to cope with the situation.

[Adapted from <https://www.news24.com>. Accessed on 4 April 2023]

Provide **THREE** suggestions that will help the teenager to deal with alcohol and drug abuse. Explain each suggestion.
